

Jetty Duffy-Matzner is a Professor in the Chemistry Department at Augustana University (1999-present). Her research expertise is in heterocyclic organic methodology and chemical education. She is an author of 11 journal publications, 1 patent, 2 book chapters, 42 published research abstracts, and Editor for ACS Symposium Text (1108). She has also taught at Binghamton University, State University of New York; State University of New York, Cortland; University of California, Davis; and served as a Research Chemist at GenCorp/Aerojet, Sacramento. She also worked as a research associate for the State of Idaho Department of Health and Welfare, Forensic Section and the Boise State University; Department of Idaho, U.S. Fish and Wildlife. She is a recipient of the Vernon and Mildred Niebuhr Faculty Excellence Award for Teaching, Augustana College, 2011; Salutes to Excellence Award, ACS, 2004; GenCorp/Aero-jet Blue-sky Technical Achievement Award, 1993; University of California, Davis, Chancellor's Teacher Fellow, 1991-92; American Institute of Chemists Student Research and Recognition Foundation Awardee, 1986.

Jetty has been a member of the ACS since 1992 and has served the Society in a number of roles. She currently is an elected member of the Committee on Committees. She has also served on ACS national committees: Committee on Meetings and Expositions, Committee on Local Section Activities (Chair Local Section Assistance and Development Subcommittee), Speaker Advisory Board for Speaker Service, and as Chair of Speaker Service Advisory Board for Speaker Service. She also has been a member of the Midwest Regional Executive Board and serves as the Awards Coordinator for the Midwest Region. She has served the Sioux Valley Local Section as NCW & CCED Coordinator, Webmaster, Chair and Councilor.

Jetty is currently on the Organic Chemistry Examination Committee 2017 for the Examinations Institute, Division of Chemical Education. She has also been a member of the MAPS (Meetings Abstracts Programming Systems) Advisory Group ACS, 2014; Steering Committee for ACS Regional & National Meeting Registration & Planning, 2013-14; Working Group, ACS Policies Affecting Streaming & Recording of National Meetings 2012-13; Diagnostic Undergraduate Chemical Knowledge; Committee for the Examinations Institute, Division of Chemical Education, 2013 & 2011; First Term Organic Chemistry Examination Committee for the Examinations Institute, Division of Chemical Education, 2010 & 2006; and the General Chemistry Examination Committee for the Examinations Institute, Division of Chemical Education, 2006.
